Wallbox MaxiCharger

Autel AC Wallbox is a versatile AC charger meant for homes, businesses, and charge point operators. MaxiCharger creates smart charging systems that combine innovative technology with outstanding design. Available with 5m cable or built-in socket type-2.

USER-FRIENDLY DESIGN
An intuitive interface with LED indicators, RFID card reader, and tochscsreen (optional).

FAST AC CHARGING
Max. charging power 22kW for fast operations.

MOBILE APP
Track, manage, and optimize EV charger anywhere and anytime .

IP 65

RELIABLE
Potection for extreme environments, oil, high or low temperatures, dust, and water.

CONVENIENT
Modular design, easy maintenance, and installation within 8 minutes.

EXTREMELY SAFE
World First Triple Protection Technology:
+ Charger basic protection;
+ Cloud battery monitoring;
+ VCI triple protection.
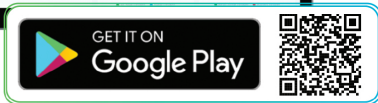

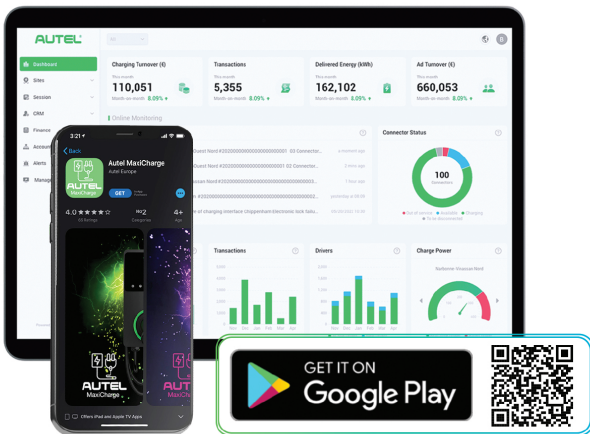

Wallbox MaxiCharger with socket

AVAILABLE IN FIVE DIFFERENT COLORS

CARBON BLACK   SKY BLUE   GOLDEN ROSE   NIMBUS CLOUD   PURE WHIITE

MOBILE APP *Autel MaxiCharge* and *Autel Cloud Software*

Track and optimize your electric vehicle charger anywhere and anytime. Monitor your charges, and see the health of your battery with the MaxiCharge App and charging management software for PC.

TECHNICAL DATA	MaxiCharger 7kW	MaxiCharger 11kW	MaxiCharger 22kW
Voltage	230V AC ± 15%	400V AC ± 15%	400V AC ± 15%
Output current	32A 1-Phase	16A 3-Phase	16A 3-Phase
Output power	7.4kW	11kW	22kW
Frequency	50Hz		
Residual current protection	AC 30mA, DC 6mA		
Charging outlet	5m charging cable + plug type-2 / socket type-2		
User interface	LED light indicators, RFID		
Installation method	wall-mount/ dedicated pedestal		
Safety standard	IEC/EN 61851-1, EN 62311, EN 62479, IEC/EN 62955, IK08, IP65 (*IP54* socket version*)		
Multiple protection	overcurrent, overvoltage, undervoltage, ground fault, residual current protection, integrated surge protection		
Working temperature	-40ºC ~ +55ºC		
Communication	Bluetooth, Wi-Fi, Mobile App *PulseQ,* Ethernet		
Dimensions	336*187*85mm		
Weight	± 6kg		
Optional	touch screen, 4G		

IK08   IP65   TÜV SÜD   CE   Plug& Charge
